Descriptions of Nairobi City Tours

Kiambethu Tea Farm

Arrive at Ilam and over a cup of tea or coffee the history of the farm and process of making tea is informally explained, followed by an opportunity to see tea in the field. Then take a walk in the indigenous forest with our resident Kenyan guide who will identify the plants and explain how they are traditionally used. Look out for the Colobus monkeys close and wander in the gardens which are home to a wide variety of birds and flowers. Return to the house to enjoy a pre-lunch drink on the verandah with sweeping views across the tea fields to the Ngong Hills. Lunch is served about 1pm and is a three-course buffet lunch from our set menu prepared with vegetables from the garden and desserts are topped with cream from our herd of Channel Island cows.

Giraffe Centre

The Giraffe Centre, located just outside Nairobi, offers a unique opportunity to get up close with the endangered Rothschild's giraffes. Visitors can feed and interact with these gentle giants from a raised platform, making it a fun and educational experience. The centre also focuses on conservation and environmental education, making it a perfect stop for both adults and children to learn more about wildlife in Kenya.

Karen Blixen Museum

The Karen Blixen Museum, once home to the famous Danish author of *Out of Africa*, offers a glimpse into her life and times in Kenya. Set at the foot of the Ngong Hills, the museum showcases Blixen's original furniture, artifacts, and photographs, along with beautiful gardens that reflect the charm of her memoirs. A visit here provides both a cultural and historical perspective on colonial Kenya and Blixen's enduring literary legacy.
